The Vice Chairman and Transport Officer will be appointed at the first Committee meeting on the 3rd of April.

The Annual Meeting of the Redbridge Branch

The meeting took place on the 17th of March and was attended by some 60 members.

The main speaker was Professor Gavin Giovannoni from the Royal London. His talk centred on some current developments in patient treatments and he was hopeful that some definite progress was being made.

Elections were held for Branch officers and committee members and they are listed elsewhere in the newsletter.

One of the posts not filled at the meeting was that of Branch Treasurer. If you or anyone you know might be interested in the job, please ask them to come along for a chat.
